

## **Full-Time Undergraduate Requirement**

At Boston College, we are committed to ensuring a safe and inclusive environment for all our students. In alignment with this commitment, we require all undergraduate students wishing to utilize any of the Campus Recreation facilities and/or fields to sign an agreement annually.

### **Activation of Membership:**

To activate your Campus Recreation membership, please ensure you sign the agreement at least 24 hours prior to your first visit. This process is essential for your access to our facilities and for maintaining the high standards of safety and community well-being.

### **How to Sign the Agreement:**

1. [Access the BC Agora Portal](#): Visit the portal to begin the process.
2. Within the portal, locate and select the “Other Services” section.
3. Find and select the “Campus Rec Student Agreement,” then follow the prompts to complete and submit your agreement.

### **Graduate Student Memberships:**

We also offer membership options for graduate students. These memberships can be purchased directly through our [Member Services Office](#). For more information, please contact us directly or visit our office during business hours.
