If the FAFSA could not import your Federal Tax Information (FTI) directly from the IRS (using FADDX), you must submit either a 2023 IRS Tax Return Transcript or a signed copy of the federal income tax return and related schedules for every tax filer. If your parents are married or unmarried and live together, but filed their returns separately, tax transcripts or 1040 and schedules are needed for both parents.

Amended Tax Returns: If an amended 2023 IRS income tax return (Form 1040X) was filed by you or your parent(s), you must provide a signed copy, along with the 2023 Tax Return Transcript or a signed copy of the 2023 IRS Form 1040 and all associated schedules.

Non-Tax Filers: If you or your parent(s) did not or will not file a 2023 IRS income tax return, and it was not required, please check off the appropriate box below and upload copies of all 2023 W-2(s) and/or 1099(s).

Individuals Who Filed Non-IRS Income Tax Returns: A tax filer who filed an income tax return with a tax authority other than the IRS may provide a signed copy of his or her income tax return that was filed with the relevant tax authority. However, if we question the accuracy of the information on the signed copy of the income tax return, the tax filer must provide us with a copy of the tax account information issued by the relevant tax authority before verification can be completed.
