Honors and Awards

- 2019 **Boston College School of Theology and Ministry Dean’s Fellowship**
An exclusive non-service stipend awarded to select students in recognition of strong academic preparation and promise for future leadership and achievement in theology and ministry.
- Boston College School of Theology and Ministry Tuition Scholarship**
A full tuition scholarship for MDiv studies recognizing excellence in academic achievement and previous service, as well as potential for ministerial leadership and success.
- 2011 **Tully Theology Award**
An award given in memory of the late Dennis H. Tully, given to the Boston College Senior who has written the best paper on a theological subject.
- Scholar of the College**
Scholar of the College is a special designation conferred at Commencement on Boston College seniors who have successfully completed particularly creative, scholarly, and ambitious independent research projects while maintaining a cumulative GPA of A⁻ or better.

Honors and Awards (continued)

- 2010-2011 **INSEIT Fellow**
Recognized as an outstanding young scholar by the International Society for Ethics and Information Technology; \$250 grant to present at biennial conference.
- 2010 **Dean's Scholar**
Each year a select group of the brightest young scholars in the Morrissey College of Arts and Sciences (MCAS) junior class are honored by the Dean of MCAS as Deans' Scholars. They are selected on the basis of their overall academic performance, the recommendations from their departmental faculty, their cocurricular initiatives, and the sense of purpose with which they approach their future.
- 2009 **Sophomore Scholar**
Each year the most academically distinguished members of the sophomore class are honored as Sophomore Scholars. The young scholars listed below have achieved an academic ranking that places them in the top three percent of their class and have also received the recognition and nomination of their major departments.
- 2007-2011 **Gabelli Presidential Scholars Program**
The Gabelli Presidential Scholars Program is an academic, merit program that annually awards full-tuition scholarships and fully-funded, GPSP-sponsored summer programs to fifteen incoming freshman students who have applied Early Action to Boston College.
- MCAS Honors Program**
The Morrissey College of Arts and Sciences Honors Program, one of the oldest in the country, provides a select group of undergraduates with a grounding in the classics of Western thought through a rigorous curriculum. It is marked by small classes, discussion seminars and close interpersonal contact between students and instructors.
- 2006 **Team Leader, \$100,000 Grand Prize Winning Team, Siemens Competition**
The Siemens Competition is the nation's premier science research competition for high school students and seeks to promote excellence by encouraging students to undertake individual or team research projects. It fosters intensive research that improves students' understanding of the value of scientific study.
