

BOSTON COLLEGE

OFFICE OF UNDERGRADUATE ADMISSION

Dual Enrollment Verification

Boston College will award placement fulfilling University Core requirements if the follow criteria are met -

1. The course was taken at an accredited college or university with a college transcript sent directly to us from that institution.
2. A grade of B or better was earned in the course.
3. The course was taken on college campus with a college professor and with other college students either during the academic year or over the summer.
4. The course was used to supplement high school coursework and did not fulfill high school graduation requirements.

Boston College does not accept dual enrollment coursework for credit. Students must request a college transcript be sent directly to admission@bc.edu from the institution that sponsored/offered the class.
